Profile

"Experienced and highly skilled software engineer with a passion for developing innovative solutions." Expert in full-stack web development and numerous programming languages, including Java, Python, and JavaScript. Strong problem-solving skills and a track record of producing high-quality code on time are required. Committed to lifelong learning and remaining current on developing technologies. "I'm looking for challenging opportunities to put my technical skills to use and contribute to the development of cutting-edge software applications."

Internships

Jun 2023 - Present

Web developer

I&T Hubs, Visakhapatnam

I'd like to thank the entire I&T Hub team for their guidance, support, and mentorship throughout my internship experience. I&T Hub's hands-on expertise and exposure to cutting-edge technologies have been genuinely extraordinary. I am glad for the opportunity to work with such amazing individuals who have both inspired and challenged me to develop in the field of Web Development.
